

**POSITION TITLE:**

Lead Carpenter

**POSITION SUMMARY**

Martone, Inc. seeks a Lead Carpenter to join our team. Reporting to the Site Superintendent, the Lead Carpenter is responsible for leading and assigning work to a designated crew of carpenters and painters to ensure that our quality standards are met and that projects are completed on schedule and within budget. In this position, you must be able to frame, install siding, roofing, windows, exterior trim, doors, interior finishes, steel studs and commercial door hardware. The ideal candidate will bring a proven track record in similar environments, and the ability to mentor our carpenters in their professional growth and development.

**COMPANY DESCRIPTION**

Based in Rhode Island, Martone is a recognized leader in managing complex construction and restoration projects across a range of commercial, industrial and residential applications. Since our founding in 1996, Martone has developed exceptional, multi-year, and multi-project relationships with some of the most respected names in New England. It's an honor that we've earned by listening to the unique needs of each client, upholding a company-wide commitment to excellence, and delivering superior customer service. Our team offers a diverse range of talents, project experience, and certifications – focused on one common mission. We strive to exceed customer expectations above all else -- no matter the complexity of their needs. We are looking for talented professionals who share our enthusiasm, work ethic, and passion for building our clients' success.

**KEY RESPONSIBILITIES**

To perform this job successfully, an individual must be able to perform each key responsibility satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.
